____OPTION 4: I want my house painted a pre-approved color from the Sherwin Williams paint book that does not have a Scheme #. (Paint chips attached)

____OPTION 5: I want my house painted a color scheme other than above. This counts as “new colors” and must be approved by the DRC. I will fill out a DRC application (available at the Placido office and at pbca.info), list the color name and number for the body, trim, and accent (garage and/or house doors) and attach paint chips.

DRC Guidelines:

8. Paint (exterior)

3) Colors are limited to a max of 3 colors, one each for Body, Trim and Accent. Trim color would be for items such as soffits, fascia, gutters, garage doors, doors, shutters and columns. Accent color would be limited to the Front door(s), garage door(s), columns & shutters.

4) White for accent or trim is always allowed without prior approval.
